

THE SOCCER F.I.T. ACADEMY™ YOUTH DEVELOPMENT CAMP – 2010 SUMMER SESSION

PRESENTED BY THE CLAY COUNTY SOCCER CLUB, ADIDAS & EUROSPOORT

The Soccer FIT Academy™ **YOUTH DEVELOPMENT CAMP** is dynamic soccer training program designed specifically for the **recreation and academy level player** to develop a passion for the game through a fun, yet challenging soccer environment. The camp is for **U8, U9, U10, U12, U14 & U16 players** who play at the recreational or Academy level who are looking to build on their abilities and soccer experiences. The training curriculum is designed to nurture growth in all components of the game through age and developmentally appropriate activities and information.

Unlike the PREMIER version of the Soccer FIT Academy camp series, Youth Development Camp participants will attend all four sessions offered (so it is not necessary to choose which sessions they want to attend). Also, unlike the Premier version, the Youth Development Camp does not teach positional or functional play. Rather, it focuses on building comfort and confidence with the ball at the player's feet, building on foot-eye coordination, introducing foot flexibility and body awareness and teaching solid decision making.

The SOCCER F.I.T. ACADEMY™ is the official off-season training program for the Clay County Soccer Club. The camp is directed by **Carlos Manuel**, Clay County Soccer Club Director of Coaching and Florida Youth Soccer Association (FYSA) Olympic Development Program (ODP) Staff Coach. Carlos holds his USSF National B, USSF National Youth and NSCAA Level 1 GK Diploma and is a long time Jacksonville-area professional youth coach who's developed some of the best soccer players and teams to come out of the Northeast Florida area. Assistant Camp Director is **Matt Hollyoak**, standout collegiate player at University of North Florida, former England Youth National Team player and CCSC Premier Team Coach. The Soccer FIT Academy may also bring in some of the top professional youth soccer coaches and players in Florida to be Academy Instructors. The player to coach ratio is typically kept around 11 players to 1 instructor. Spaces are limited, so please register early!
